The Plan on One Page

Headline: Maa's Inspiration has a powerful, simple story ($5 = one hot meal, 2,200 meals every Saturday, 100% to meals). The biggest gains in year one come from **fixing the donate page, building monthly giving, thanking fast, and asking the community you already have**. Grants come second and take longer.

#	Do this	Why	Owner	When
1	Fix the donate page (monthly button, custom amounts, program tags, receipt wording)	The "Monthly" button does not create a monthly gift today, and custom amounts are changed at checkout	Assistant drafts, Aslam approves	Nov 2026
2	Launch **Maa's Circle** monthly giving ($25/month = 5 hot meals a month)	Monthly gifts are steady, predictable income, and monthly donors tend to stay longer	Aslam / Assistant	Nov 2026, then monthly
3	Thank every gift within 48 hours; Aslam calls every gift of $250+	Fast thanks is the cheapest way to get a second gift	Staff / Aslam	Starting now
4	Run 5 seasonal campaigns: Giving Tuesday/year-end, Maa's Place opening, Ramadan, Maa's Day (Mother's Day), North Texas Giving Day	Each matches a natural giving moment for this community	Aslam / Assistant	See calendar
5	Hold one signature event: **Love All, Serve All Community Dinner** (May 2027)	Brings donors, sponsors, and volunteers into one room	Aslam + Volunteer lead	May 2027
6	Sign up local business sponsors with simple tiers	Restaurants and businesses already support the mission	Aslam	Jan to Mar 2027
7	Apply to 8 to 10 well-fit grants (Walmart now, food bank partnership, Dallas Foundation, Meadows, Moody, CDBG)	Steady money plus free or low-cost food	Assistant drafts, Aslam submits	Rolling
8	Track it in one donor database (Little Green Light, $45/month) linked to Stripe	You cannot thank, segment, or report without it	Assistant / Staff	Nov 2026

Estimated 12-month potential: about $86,500 (low) to $405,500 (high). These are estimates for planning, not promises. The real number depends on how many donors you have today **[#]** and how much was raised last year **[$]**. Suggested working goal: **[12-month goal $]**, set by Aslam after he fills in those two numbers.

1. Website Review and Fundraising Ideas

1(a) What helps and what hurts donations on the new site

I fetched and reviewed the preview pages on October 13, 2026: home, donate, meals, maas-place, blooming-star-village, get-involved, volunteer, and contact. I also read the donate page code.

What already helps

- Clear impact math: **$5 = one hot meal**, $25 = a senior meal pack, $100 = a full delivery run for 20 people.
- Strong trust signals: 501(c)(3), EIN shown, "secure payment via Stripe," "100% of donations fund meals."
- One-time / Monthly toggle, tribute ("in honor of") giving, an FAQ, "Other ways to give," and a thank-you to named partners (Al Markaz Restaurant, Dare 2 Inc, Texas Wholesale, Popeyes Chicken, Chef Chen).
- The Maa's Place page links to `donate.html?program=maas-place`, and the code passes the program to Stripe as `client_reference_id`, so those gifts can be tracked by program.
- The Meals page tells Maa's story and has a real weekly video. That is the best fundraising asset on the site.

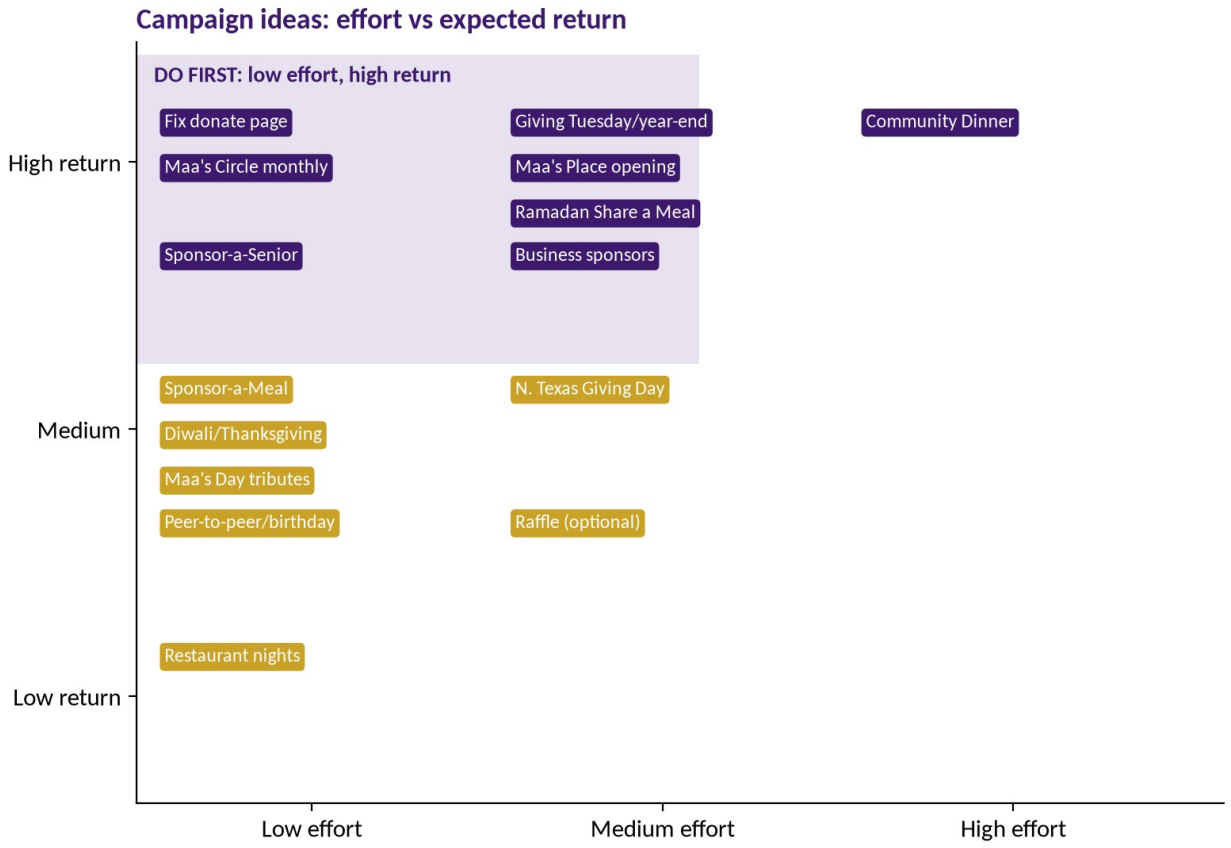

What hurts (and the fix)

#	Issue found	Why it costs money	Fix	Owner	Effort
1	**The "Monthly" button changes nothing.** The code only highlights the button. One-time and monthly both open the same 7 Stripe Payment Links.	Monthly donors may be charged once, with no recurring gift. Monthly giving is the core of this plan.	Create 4 to 5 **recurring** Stripe Payment Links ($10, $25, $50, $100/month plus "choose amount") and have the toggle switch to them. First check in Stripe whether the current 7 links are one-time or recurring.	Assistant (code) / Aslam (Stripe)	Low
2	**Custom amounts get changed.** A $75 gift opens the $50 link with quantity 2 ($100). A $30 gift becomes $25.	Donors see a different amount at checkout and leave. It can also hurt trust.	Add one Stripe link with "customer chooses what to pay" and send all custom amounts there.	Assistant / Aslam	Low
3	**Low starting point.** The form opens at $5 and the preset buttons are $50 to $500, with no $25 button.	People anchor on the first number they see.	One-time: $25 / $50 (pre-selected) / $100 / $250. Monthly: $10 / $25 (pre-selected) / $50 / $100. Put an impact line under each.	Assistant	Low
4	**Program tags are missing on 2 of 3 program pages.** Blooming Star Village and Meals link to plain `donate.html`, so those gifts are tagged "general."	You cannot report "raised for BSV" to donors or funders.	BSV buttons go to `donate.html?program=bsv`; Meals buttons go to `?program=meals`. Add a 4-choice picker on the donate page: Meals / Maa's Place / BSV / Where most needed.	Assistant	Low
5	**Donate page copy is meals-only.** "100% ... goes directly toward our meal program" shows even when someone gives to Maa's Place or BSV.	Confusing, and it can create a restricted-gift problem.	Change the heading and impact lines based on `?program=`. Ask Aslam how to word the 100% claim for Maa's Place and BSV (see Questions).	Assistant / Aslam	Low
6	**Receipt wording.** The FAQ says the Stripe email receipt "serves as your official acknowledgment for tax purposes."	For gifts of $250+, the IRS requires a written acknowledgment that says whether any goods or services were given. Stripe's standard receipt does not say this unless you add it.	Add this line to Stripe receipts: "No goods or services were provided in exchange for this contribution. Maa's Inspiration Inc., EIN 86-2221897." Also send our own thank-you letter (Section 4).	Aslam (Stripe settings)	Low

#	Issue found	Why it costs money	Fix	Owner	Effort
7	**Wrong drop-off place for in-kind items.** The FAQ says drop items at "MAA's Place during volunteer hours." Maa's Place is not open, and it is at a different address.	Lost food donations and confused donors.	"Drop off Saturdays 10 AM to noon at 1445 MacArthur Dr Suite 104, or email to arrange."	Assistant	Low
8	**No mail-a-check, donor-advised fund (DAF), or employer match info.**	Bigger gifts often come by check or DAF, especially in Nov and Dec.	Add: "Checks payable to Maa's Inspiration Inc., [mailing address]" · "Give from your DAF: Maa's Inspiration Inc., EIN 86-2221897" · "Ask your employer to match your gift."	Assistant	Low
9	**No story or photo on the donate page.**	A face and one sentence beat any statistic.	Add 1 photo (consent on file) + 2 sentences + the weekly video.	Assistant / Aslam	Low
10	**Forms send to a personal Gmail** (honor, volunteer, and contact forms go to aslamhemani@gmail.com through FormSubmit).	Donor privacy and continuity risk. Records get scattered.	Send forms to aslam@maasinspiration.org (or a shared org inbox). Add a short donor privacy statement.	Aslam	Low
11	**No email sign-up.**	You can't send an impact update to someone you can't reach.	Add a "Get our monthly impact update" box to the home, meals, and donate pages.	Assistant	Low
12	**"Become a Partner" has text but no clear next step.**	Businesses ready to help have nowhere to click.	Add a button: "Become a sponsor" leading to tiers (Section 2) and an email link.	Assistant	Low
13	**Content rule check.** The Meals page says "Driven by faith, compassion..."	It conflicts with the no-religion rule for public content.	Change to "Driven by compassion and a deep sense of responsibility..."	Assistant / Aslam	Low
14	Small fixes: "~50 Volunteers (about 50)" says it twice; the Meals page counters show 0 until they animate.	Looks unfinished.	Use "About 50 volunteers"; show real numbers if the animation does not run.	Assistant	Low

Keep consistent with the social media plan. The donation QR in every video points to `https://maasinspiration.org/donate.html` (that page answers today). When the new site goes live, keep that exact address working, so the QR codes in the videos never break.

How each main campaign works (step by step)

Maa's Circle (monthly giving). 1) Fix the monthly links (Issue 1). 2) Name the levels: $10 = 2 meals a month, $25 = 5 meals, $50 = 10 meals, $100 = Sponsor-a-Senior. 3) Ask current one-time donors first (letter template, Section 3). 4) Show a "Maa's Circle" line in every social Post 3 (Donation Impact). 5) Send members a monthly 60-second video update. **Goal:** 40 monthly donors by Dec 31, 2026, and 100 by Oct 2027 **[confirm]**.

Sponsor-a-Senior / Sponsor-a-Meal. $25 feeds one senior family for a week (about 5 meals). $100 a month sponsors one senior family. A business can "Sponsor a Delivery Run" ($100 = hot meals for 20 people) or fund a tenth of a Saturday ($1,100 = 220 meals). No names of seniors are shared. Donors get a first-name-only or anonymous story, with consent.

Maa's Place opening "Founding Friends." 1) Aslam fills in the opening budget (Section 5). 2) Set a goal equal to opening costs plus 3 months of running costs. 3) Founding Friend = $1,000+ (name on a "Founding Friends" wall). Room or activity sponsors (chai corner, exercise corner, game table) at **[$]** each. 4) Soft-launch with 10 close supporters before going public. 5) Invite donors to a ribbon cutting and tour. **Best time:** the 8 weeks before opening **[date TBA]**.

Giving Tuesday and year-end. Giving Tuesday is **Tue Dec 1, 2026**. Ask 1 or 2 businesses for a match ("every gift doubled up to $[X]"). Mail a letter by Dec 3. Send emails Dec 1, 15, 29, and 31. Post videos on Dec 1 and Dec 31 (already in the social plan).

Ramadan (about Feb 8 to Mar 9, 2027, by moon sighting). Faith communities are welcome as funders. Run it **through partner mosques and community groups**, using their channels: "Share a Meal: $5 feeds a neighbor, $500 sponsors 100 meals." On public social media, keep the wording non-religious ("this season of giving"), per the content rule.

Diwali (Sun Nov 8, 2026) and Thanksgiving (Thu Nov 26, 2026): "Share a Plate." Partner temples and businesses run a food or fund drive. Volunteers collect at events. Use Sponsor-a-Senior as the ask.

Maa's Day (Mother's Day, Sun May 9, 2027). This is the signature campaign. "Honor your mother the way Maa would: by feeding someone." Tribute gifts send an e-card to the mother being honored (the tribute form already exists). It runs Apr 19 to May 9 and leads into the Community Dinner.

Love All, Serve All Community Dinner (May 2027). A simple, home-style dinner, not a black-tie gala. 150 to 250 guests. Tickets **[$]** with a quid pro quo disclosure printed on them. Table sponsors, a 5-minute story, one live ask ("Fund a Saturday"), and an optional raffle (rules in Section 5). Budget $5,000 to $15,000. Aim for 3 times the cost or better.

Peer-to-peer and birthday fundraisers. Volunteers and donors set up personal pages ("For my birthday, help me serve 200 meals"). Use your CRM's or Givebutter/Zeffy's free peer-to-peer pages, or the North Texas Giving Day page (it supports fundraisers). Give each fundraiser a one-page kit with a photo, 3 captions, and the QR code.

Restaurant give-back nights. Start with existing partners (Al Markaz, the Popeyes franchise partner, Chef Chen). Ask for 15% to 25% of the night's sales or a fixed gift. Chipotle gives 25% of qualifying sales (applications reopen March 2027). Hold one every other month.

North Texas Giving Day: Thu Sep 16, 2027 (verified). 2027 registration opens **Nov 2, 2026**. Communities Foundation of Texas covers card fees. Secure a match pool from sponsors by July. Recruit 10 peer-to-peer captains. Early giving likely opens in late August (in 2026 it opened Aug 27).

2. Other Funding Sources

2(a) Recommendations

1. **Start with food, not just cash.** A food bank partnership (North Texas Food Bank for Dallas County clients, or Tarrant Area Food Bank for Denton County) can cut the cost per meal. NTFB reviews applications in **January, April, July, and October**.
2. **Apply now to quick, small corporate grants.** Walmart Spark Good local grants ($250 to $5,000) are open until **Nov 30, 2026**. Kroger, Albertsons/Tom Thumb, H-E-B, and Sprouts follow.
3. **Build relationships with 4 or 5 foundations that take open applications:** the Dallas Foundation (summer cycle), Meadows, Moody, and Rees-Jones (BSV, once it opens). Several large funders are **invitation only** (CFT, TI, Toyota, AT&T). For those, the route is relationships, not applications.
4. **Use the local network:** Carrollton-Farmers Branch Rotary, faith communities, restaurants, and employers with matching gifts.
5. **Be honest about eligibility.** Hoblitzelle needs an audit and a budget over $250,000. Crystal Charity Ball needs 3 years of serving children. Some Dallas Foundation cycles need a budget over $500,000. Don't spend time there until you qualify.

Important county question. Carrollton spans Dallas, Denton, and Collin counties. Whether each site and most clients are in Dallas or Denton County decides which food bank (NTFB or TAFB), which Area Agency on Aging (Dallas AAA or NCTCOG), and whether the Dallas Foundation is open to you (over 50% of clients must live in Dallas County). Aslam: please confirm (see Questions).

2(c) Corporate giving: what to ask for

Type	What it is	Who to ask (DFW)	Owner
Community grants	Small cash grants from local stores	Walmart, Kroger, Tom Thumb/Albertsons, H-E-B, Sprouts, Costco	Assistant drafts / Aslam submits
Sponsorships	A business pays for visibility at an event or campaign	Restaurants, banks, realtors, clinics, car dealers near Carrollton	Aslam
Matching gifts	Employers match employee gifts (AT&T matches 1:1 up to $1,000 per employee per year)	Ask every donor: "Does your employer match?"	Staff
Dollars for doers	Employers give money when employees volunteer (AT&T has volunteer grants)	Ask the Saturday volunteers where they work	Staff
In-kind	Food, supplies, gift cards, delivery help	Grocers, distributors (Texas Wholesale already helps), restaurants	Volunteer / Aslam

Sponsor tiers (draft; amounts for Aslam to set):

Tier	Amount	Meals funded	Recognition
Meal Friend	$500	100	Website partner list + thank-you post
Saturday Sponsor	$1,100	220 (a tenth of a Saturday)	+ a mention in the weekly video
Senior Champion	$2,500	500	+ logo on the volunteer T-shirt / banner
Maa's Table	$5,000+	1,000+	+ Community Dinner table + logo on Maa's Place wall

Steps: 1) Aslam approves the tiers. 2) Assistant makes a one-page sponsor sheet. 3) Aslam lists 20 businesses he knows. 4) Aslam makes the calls or visits (no outreach until he approves). 5) Staff logs each ask in the tracker.

2(d) Government and food programs (realistic view)

Program	How it reaches you	Realistic in year 1?	Next step
USDA TEFAP commodities	Through a food bank partnership (NTFB lists TEFAP as a partner benefit)	Yes, after NTFB or TAFB approval	Apply for the Jan 2027 NTFB review
CSFP senior food boxes (60+)	Run by Texas Dept. of Agriculture with NTFB in Dallas County	Maybe, as a distribution site for Maa's Place seniors (Unverified)	Ask NTFB senior programs team
Older Americans Act Title III (meals, senior centers)	Through the Dallas AAA (Community Council of Greater Dallas) or NCTCOG AAA (Denton/Collin) to contracted providers	Unlikely as funding in year 1; good for referrals and partnership	Intro meeting (Aslam decides)
City of Carrollton CDBG public services	Yearly application, about $113,000 pool	Possible but competitive (all of PY2026 went to Metrocrest Services)	Watch for spring 2027 notice; call 972-466-4299
Texas HHS	Oversees AAA nutrition rules; no direct grant	No	Reference only

3. Existing Donors

3(a) Segments and how to treat each

Segment	Definition	Main touch	Frequency	Owner

Repeat one-time	2+ gifts, not monthly	Impact updates + monthly upgrade ask	Monthly email; 2 asks a year	Assistant / Aslam
Monthly (Maa's Circle)	Active recurring gift	Monthly video update; yearly thank-you call	Monthly	Assistant / Volunteer callers

Lapsed	Gave before, nothing in 13+ months	Win-back letter + call	Twice a year	Staff / Aslam
In-kind	Gave food or supplies	Thank-you with item description (no value) + photo of the food in use	After each gift	Staff
Corporate / partner	Business, restaurant, or grocer	Recognition, impact report, renewal meeting	Quarterly	Aslam
Volunteers who also give	Both	Volunteer + donor thank-you; peer-to-peer invite	Quarterly	Staff

3(b) Data to track for every donor

Name · household/organization · email · phone · mailing address · preferred contact (email/text/call/mail) · language (English, Urdu/Hindi, Gujarati, other) · first gift date/amount · last gift date/amount · total given (lifetime, this year) · number of gifts · gift type (Stripe one-time, Stripe monthly, check, cash, in-kind, DAF, matching gift, grant) · program (Meals, Maa's Place, BSV, general, taken from Stripe `client_reference_id`) · campaign/appeal · tribute (in honor/memory of) · employer (for matching) · acknowledgment sent (date, who) · goods/services given (for quid pro quo) · in-kind description · volunteer (yes/no) · relationship owner · notes · do-not-contact / anonymous flags · photo consent on file (yes/no).

3(c) Donor database (CRM): recommendation

Tool	Price (checked Oct 13, 2026)	Works with our Stripe links?	Good for	Watch out
Little Green Light (recommended)	$45/mo up to 2,500 records; unlimited users; 10% off annual	Yes: Stripe through LGL Forms, or a Stripe-to-LGL Zapier connection	Small teams, mail merge letters, year-end statements, segments	Separate tool from the donation page
Zeffy	Free (paid for by optional donor tips)	Uses its own payment pages (would replace or sit beside Stripe links)	Zero cost, events, raffles, peer-to-peer	Donors see a tip prompt; moving off Stripe changes the giving process
Givebutter	Free with optional tips; 3% fee if tips are off; Plus from $29/mo	Uses its own checkout; Stripe data by CSV import	Peer-to-peer, events, texting	Same tip prompt trade-off
Bloomerang	From $125/mo (billed annually)	Has its own giving forms	Strong retention reports	Costs more than we need now
DonorPerfect	Core about $99 to $119/mo (sources differ; **Unverified**)	Has its own forms	Larger shops	Costs more than we need now

Recommendation: Use **Little Green Light** now and keep the current Stripe donation process. If cost must be $0, use Zeffy or Givebutter's free CRM and import Stripe each month. QuickBooks (from the earlier finance plan) stays the accounting record. The CRM is the relationship record. Reconcile the two each month.

How to connect Stripe and other records (steps):

1. Aslam creates the LGL account and adds Staff and Assistant as users.
2. Import past donors: Stripe export (Payments > Export, all of 2025 and 2026), plus the check/cash ledger and in-kind list.
3. Turn on one ongoing link: either a Zapier zap (Stripe "new payment" creates an LGL gift) or a weekly Stripe CSV import. The Stripe `client_reference_id` (meals / maas-place / bsv / general) maps to the LGL "Fund."
4. Checks and cash are entered from the two-person count sheet (same as the finance plan). In-kind gifts are entered with a description and no value in the letter.
5. Monthly: Stripe payouts are matched to the bank in QuickBooks, LGL gift totals are matched to QuickBooks income, and any differences are fixed.

3(d) Outreach plan by group

Group	Email	Text	Call	Handwritten note	Visit / tour
New donor	Within 48 hrs + day 7, 30	Optional thank-you text if they gave a phone	If $250+	If $100+	Invite at day 60
Monthly	Monthly video update	Birthday/anniversary text	Once a year (volunteer caller)	Once a year	Open invitation
Major	Quarterly personal update	As preferred	Aslam, quarterly	After every gift	Twice a year
Lapsed	Win-back letter (template)	One friendly text	One call	No	Invite to a Saturday
In-kind / partner	Thank-you + photo	As preferred	After big drops	Yearly	Yearly recognition
Corporate	Quarterly impact report	No	Renewal call	Yearly	Yearly site visit

Raffle tickets	Not deductible (the buyer gets a chance to win)	Print "not tax-deductible" on tickets

4(e) Grant management process

1. **Find** (Assistant): keep the Funders tab current. Check deadlines on the 1st of each month.
2. **Decide** (Aslam): go/no-go within 1 week of a match. Ask: do we fit, and is the effort worth the likely award?
3. **Prepare** (Assistant): keep a ready folder with the IRS determination letter, latest Form 990, budget (and budget vs. actual), board list, financial statements/audit status, W-9, program numbers, photos (consent on file), and 3 short stories.
4. **Draft** (Assistant), **review and submit** (Aslam). Aim to finish 5 business days before the deadline.
5. **Track** (Staff): status in the Funders tab: Researching / Drafting / Submitted / Awarded / Declined / Report due.
6. **Award** (Aslam): sign the agreement. Put every report date and restriction in the calendar on the same day. Tag spending in QuickBooks by grant.
7. **Report** (Assistant drafts, Aslam approves): send 2 weeks before the due date, with numbers, a story, and photos.
8. **Renew** (Aslam): thank the funder 3 times a year. Ask about renewal 3 months before the grant ends.
9. **Declined?** Ask for feedback politely and note when you can reapply.

Total	**about $7,800 to $21,600 + Stripe fees**

The workbook's Budget tab has these lines with formulas.

5(c) Board and volunteer roles

Board (names: [Board members]). Suggested minimum: 3 to 5 people (confirm what your bylaws require).

- **Every board member:** gives a personal gift each year at a level meaningful to them, opens 3 doors (introductions) a year, and attends the Community Dinner.
- **Board Chair:** runs meetings and partners with Aslam.
- **Treasurer:** reviews the monthly report and reconciliation (not the person entering gifts).
- **Fundraising chair:** leads the sponsor and dinner committees.
- **Secretary:** minutes and policies (privacy, gift acceptance, conflict of interest).

Volunteer fundraising roles

Role	Time	What they do
Thank-you caller	1 hr/week	Calls new and monthly donors to say thanks (no asking)
Note writer	1 hr/week	Handwritten notes for $100+ gifts
Event lead	4 hrs/week (Mar to May)	Runs Community Dinner logistics
Peer-to-peer captain	2 hrs/month	Recruits 5 friends to fundraise (NTxGD, birthdays)
Grant helper	2 hrs/week	Finds numbers and photos for applications
Story & photo volunteer	Saturdays	Captures photos/video **with consent forms**, logs them
Data volunteer	2 hrs/week	Enters checks, cash, and in-kind into the CRM (not the person who counted the cash)

5(d) Storytelling (consistent with the social media plan)

- Social stays on **TikTok, Instagram @maasinspiration, and Facebook (facebook.com/maasinspiration) only**. No X.
- Use the existing **4-videos-per-week** program (launch week **Oct 26, 2026**). **Post 3 (Donation Impact)** carries the campaign of the month. The donation QR stays on screen for the full 30 seconds.
- Use only your own footage. **No identifiable senior, child, or volunteer without a signed consent form on file.** For Blooming Star Village, use a parent/guardian consent; avoid faces of children unless it is truly needed; never use last names or health details.
- No politics or religion in public posts. Faith partners can promote campaigns in their own channels.
- **Story bank:** every Saturday, Staff writes down one short story (first name only, with consent) and one number. The Assistant turns them into the impact update, Post 3, and grant reports.
- Every link carries the program tag (`donate.html?program=meals`, `?program=maas-place`, `?program=bsv`) so you can see which story raised money.

5(e) Rules: raffles, events, donor privacy (Texas + IRS)

Texas Charitable Raffle Enabling Act (Occupations Code Ch. 2002). Verified with the Texas Attorney General.

Rule	Detail
Who	A 501(c) nonprofit that has existed at least **3 years** (Maa's Inspiration likely qualifies at 5+ years; confirm the incorporation date)
How many	**Up to 4 raffles per calendar year.** The brief said 2; the law changed from 2 to 4 in June 2021 (HB 2757).

Rule	Detail
Prizes	**No cash prizes** (prepaid gift cards are allowed). A purchased prize can be worth up to **$75,000**. Donated prizes have no limit. You must own the prize or post a bond before the drawing.
Selling	**No statewide promotion or ticket sales.** The AG says this is generally read to include online sales, so sell paper tickets in person. You can mention it on your own website and to existing supporters.
People	No paid organizers or ticket sellers (volunteers only)
Ticket must show	Org name · org (or officer) address · ticket price · description of each prize over $10 · drawing date
Not allowed	Casino nights and poker nights (no nonprofit exception in Texas)
IRS	Tickets are not deductible. A W-2G is required if the prize minus the ticket price is at least **$2,000** (2026 threshold) and at least 300 times the ticket price. Withhold 24% if it is over $5,000. Confirm with the CPA.

Events

- Print the quid pro quo disclosure on dinner tickets: "$[price] ticket includes dinner valued at $[value]; $[difference] is tax-deductible."
- **Texas sales tax:** a qualifying 501(c)(3) can hold **two one-day tax-free sales or auctions per calendar year**. This needs Texas exemption status (Form AP-204). Confirm you have it.
- Alcohol, food permits, venue insurance: confirm with the venue and city (**Unverified** here; most community dinners are alcohol-free, which keeps it simple).

Donor privacy

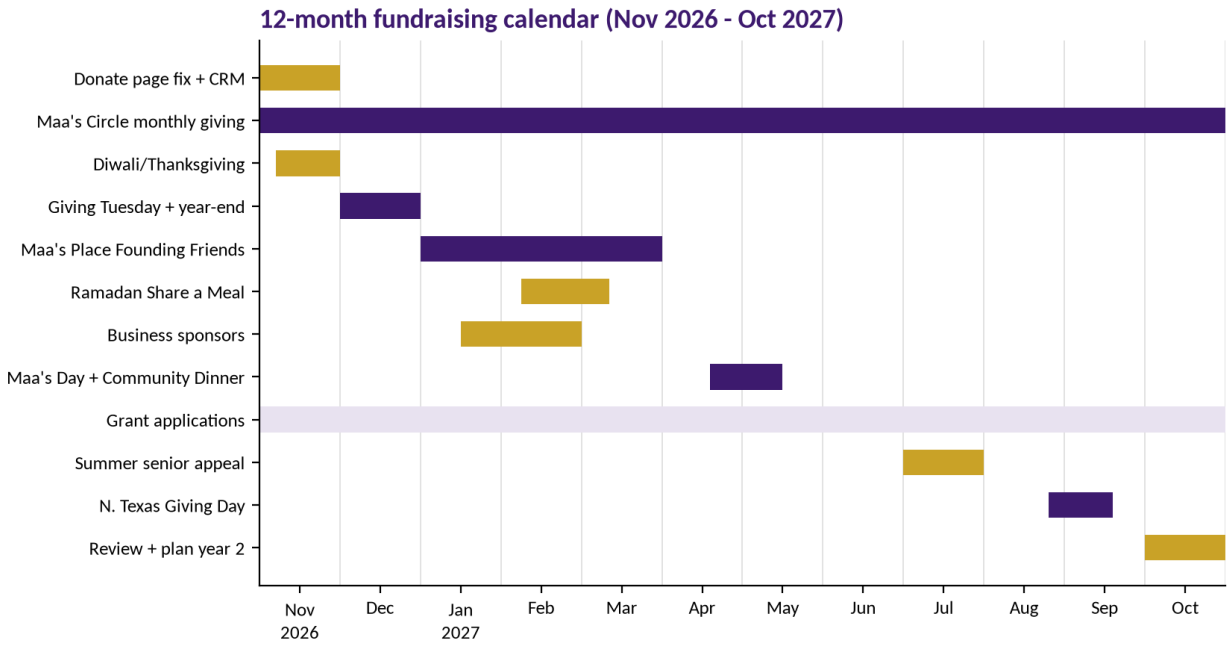

- Adopt a one-paragraph donor privacy policy: "We never sell, rent, or share donor information." Put it on the donate page.
- Keep donor data in the CRM (not personal Gmail or phones). Give access only to people who need it.
- Card data stays with Stripe; never write card numbers down.
- Honor "anonymous" and "do not contact" flags. Don't name donors publicly without permission.
- Form 990 Schedule B donor names are not part of the public copy for 501(c)(3)s. Still, treat the list as confidential.

5(f) Key metrics (tracked monthly in the workbook)

Metric	Formula	Target
Donor retention	Donors who gave last year AND this year ÷ donors last year	50%+
New donor retention	First-time donors who give again within 12 months ÷ first-time donors	35%+

Questions for Aslam

1. **Numbers:** What is the annual operating budget **[$]**, the amount raised last year **[$]**, and the number of donors **[#]**? What 12-month goal **[$]** do you want?
2. **Stripe:** Are the 7 current Payment Links one-time or recurring? Who owns the Stripe account? May we apply for the nonprofit rate?
3. **Meal cost:** Does "$5 per meal" include donated food? About how much of the Saturday food is bought vs. donated? (At $5, 2,200 meals is about $11,000 per Saturday.)
4. **The 100% claim:** "100% of donations fund meals, no salaries" is confirmed for Maa's Meals. How should we word it for Maa's Place and BSV, which will have rent and other costs? Who covers costs like rent and Stripe fees today?
5. **Counties:** Are 1445 MacArthur Dr and 2700 Old Denton Rd in Dallas or Denton County? Where do most clients live? (This decides NTFB vs. TAFB, Dallas AAA vs. NCTCOG, and Dallas Foundation eligibility.)
6. **Maa's Place opening date** and opening budget? **BSV opening date**, staffing, and whether you have checked Texas child-care licensing rules for a day program for children 5 to 17 (Unverified here; check with Texas HHS Child Care Regulation)?
7. **Board:** Who is on the board **[names]**? Is anyone willing to chair fundraising?
8. **Audit and 990:** Do you have a recent Form 990 and financial statements? Any audit? (Needed for most foundations.)
9. **Texas sales-tax exemption:** Has Maa's Inspiration filed Form AP-204 with the Texas Comptroller?
10. **Incorporation date** (for the 3-year raffle rule)?
11. **Faith and community partners:** Which 10 mosques, temples, churches, and community groups should be invited to partner?
12. **Businesses:** Which 20 local businesses or restaurants should get the sponsor sheet, and may Aslam make those asks?
13. **Community Dinner:** OK to plan for May 2027 (Maa's Day week)? Any venue in mind?
14. **Mailing address** for checks, and which email should receive donor forms instead of the personal Gmail?
15. **Major gift level:** Is $1,000 a year the right "major donor" line for you?
16. **Maa's memory:** Is there a date (birthday or anniversary) you'd like to honor with a yearly "Maa's Day of Service"?
